ABOUT HOST

Daxavier Josiah (Dax J. Martin-Cheeves) is a fan who has dedicated his time and passion as a multimedia developer to celebrate his fandom as the host of A.C.M.G., presents TALK TIME LIVE.

When not working with clients at his design firm, Dax works diligently to learn and talk about the latest news going on in the world of pop and geek culture.

His philosophy when conducting interviews consist of a fun, sophisticated, relaxed, and laid back atmosphere that entertains the listeners of the show as well as educate them.

Forever grateful of the opportunities that is afforded to him in the course of his 5 plus year journey as a podcaster, he continues to provide the best quality possible for everyone involved and invested in the show.
